27. - 28. SEPTEMBER 2018
ZAGREB, CROATIA

Poštovane dame i gospodo, cijenjeni sudionici ovog prvog, i nadam se ne zadnjeg, Festivala „Kazalište Znak & Zvuk“ srdačno vas pozdravljam i želim vam iskazati dobrodošlicu, te poželjeti ugodan boravak i provod u našem Zagrebu.

Izuzetna mi je čast i veselje najaviti, u vlastito ime i u svojstvu predsjednika Udruge „Kazalište, vizualne umjetnosti i kultura Gluhih – DLAN“, da u Zagrebu nastaje novi veliki kulturno - umjetnički događaj Gluhih pod novim i neobičnim imenom „Kazalište Znak & Zvuk“. Moram napomenuti da je Festival „Kazalište Znak & Zvuk“ plod našeg mukotrpnog i dugogodišnjeg rada da se kreativno stvaralaštvo Gluhih, te promocija i distribucija Kulture i Umjetnosti Gluhih probije i dobije mjesto na područjima kulture i umjetnosti društva generalno, na lokalnoj i državnoj razini. Zahvaljujući dugogodišnjoj i uspješnoj suradnji sa Ministarstvom kulture, Gradskim uredom za obrazovanje, kulturu i šport, Zakladiom „Kultura Nova“ koja je prepoznala naš potencijal, potrebe i trud, te inovativnost i angažiranosti članova i suradnika Udruge „Kazalište, vizualne umjetnosti i kultura Gluhih – DLAN“, rodila se ideja za organizaciju i pokretanje svjetskog događaj u našem Zagrebu. Sve to ne bi bilo moguće bez dobre suradnje i razmijene znanja, iskustva i misli sa dragim prijateljima i ljubiteljima kazališta Gluhih iz Europe i Svijeta. Također, posebno zahvaljujem Centru za kulturu Trešnjevka na suradnji i podršci.

Dragi prijatelji, gosti i ljubitelji kulture i umjetnosti Gluhih, u ime Udruge „Kazalište, vizualne umjetnosti i kultura Gluhih – DLAN“ i u vlastito ime želim vam puno uživanja, smijeha i zadovoljstva na Festivalu.

Angel Naumovski
Predsjednik Udruge

Dear ladies and gentleman, our honored cooperatives on this first, but hopefully not last, Festival “Theatre of Sign & Sound”, I would like to warmly welcome you to this event, and wish you good time in our Zagreb city.

I am very happy to announce, as a person and as a president of the civil organization “Theatre, visual arts and culture of Deaf – DLAN” that a new, big culture and art festival is emerging in Zagreb under a new and unusual name “Theatre Sound & Sign”. I have to note that the Festival “Theatre Sound & Sign” is a result of our long lasting hard work, so that the creative work that Deaf community does get promoted, distributed and gets its rightful place in the world of art and culture generally, locally and on the state level. Thanks to support and years of cooperation with the Ministry of Culture, City office for Education, Culture and Sports, publishing agency “Kultura Nova” that recognized our potential, needs and efforts, and creativity and engagement of our members and cooperatives of civil organization “Theatre, visual arts and culture of Deaf – DLAN”, an idea was born to start a world event in our Zagreb. All of that would not be possible without good cooperation, exchanging of knowledge, thoughts and experiences with our dear friends and Deaf Theatre fans from Europe and the World. Also, special thanks to Center for culture Trešnjevka for their support and cooperation.

Dear friends, guests and Deaf culture and art lovers, in the name of our civil organization “Theatre, visual arts and culture of Deaf – DLAN”, and in my own name, I wish you lots of fun, laughter and happiness on the Festival.

Angel Naumovski
President of the civil organization DLAN

Dobro došli na naš prvi Festival kazališta gdje želimo svima pokazati važnost znaka i zvuka, vrijednosti našeg postojanja i izražavanja.

Izrasli smo na plodnom tlu nekad poznatih glumaca i izvođača pa želimo nastaviti tu tradiciju, iskušavajući se u raznim formama, istražujući sve nove metode bolje komunikacije s čujućima, a iz želje da svi vi iz različitih podneblja i mentalita pokažete raskoš svog bivstvovanja.

Zato je naš festival slavljenje života kroz zvuk, znak, pokret, mimiku, pantomimu. Slavljenje emocija, dobrih, pozitivnih vibracija ali i naše vjere, nade, izražavanje naših želja, potreba i snova.

Nadamo se da ćemo svi obogaćeni novim iskustvima lakše i bolje hodati ovom Zemljom, svladavajući prepreke, učiti i živjeti punim plućima, uživati u danima koje ćemo primati kao dar i izazov.

Lino Ujčić
Organizator

Welcome to our first Festival of Theatre where we would like to show everybody the importance of sign and sound, the values of our existence and expression.

We have grown on the fertile soil of actors and performers that used to be famous, so we would like to continue that tradition, trying out different forms, exploring all new methods of communication with the hearing community, and all that from the desire that all of you from different backgrounds and mentalities show the glory of your being.

That's why our festival is a celebration of life through sound, sign, movement, mimic, mime. Celebration of emotions, good and positive vibrations, but also our faith and hope, expressing our desires, needs and dreams.

We hope that we will, enriched by new experiences, better and easier walk on this Earth, coping with problems, learning and living life to the fullest, enjoying in days that we will accept as a gift and a challenge.

Udruga „Kazalište, vizualne umjetnosti i kulture Gluhih - DLAN“ osnovana je 18.10.2001. godine, na inicijativu samih gluhih osoba, s osnovnim ciljem promoviranja kulture Gluhih, te kazališta i audiovizualne umjetnosti Gluhih u Hrvatskoj i inozemstvu. Omogućava bolju dostupnost umjetničkih i kulturnih sadržaja i događaja zajednici Gluhih i nagluhih, kao i prihvaćanja Gluhih kao manjinske kulturne skupine.

Udruga „Kazalište, vizualne umjetnosti i kulture Gluhih - DLAN“ djeluje na razvijanju kreativnosti i samopoštovanja Gluhih i omogućuje im sudjelovanje na kongresima i festivalima Gluhih u Hrvatskoj i diljem svijeta, te pridonosi boljoj komunikaciji i suradnji. Posebnu važnost pridaje osnivanju kazališta na znakovnom jeziku, kojeg dosad u Hrvatskoj nije bilo, jer su reakcije publike, kako čujuće tako i gluhe, veoma pozitivne i odobravajuće.

Udruga „Kazalište, vizualne umjetnosti i kulture Gluhih - DLAN“ ima dugogodišnje iskustvo u organiziranju kulturnih i umjetničkih projekata gluhih i nagluhih. Od 2001. godine, zajedno s bendom Deaf Band DLAN (inkluzivnim glazbenim bendom: bubnjevima i bass gitarama) kombiniraju dramu na znakovnom jeziku sa suvremenim plesom i poezijom i uz to prezentiraju dvije do četiri kazališne predstave na hrvatskom znakovnom jeziku. „Dlanovci“ su nastupali diljem Hrvatske i bili su gosti nekih europskih festivala gluhih (Beograd, Nitra, Ljubljana, Prag, Vac - Budimpešta, Tallin, Maribor, Trapani i Gent).

Udruga „Kazalište, vizualne umjetnosti i kulture Gluhih - DLAN“ ima iskustva i kao partner i koordinator u projektima EU: Mladi na djelu i Europska kulturna zaklada. Sudjelovali su i u projektu Heartbeat Hears The Beat u Mariborskom kulturnom gradu 2012.

Udruga „Kazalište, vizualne umjetnosti i kulture Gluhih - DLAN“ organizira i tečajeve znakovnog jezika, jer je neophodno naučiti i čujuću populaciju našem jeziku. Bez njihove pomoći pri prevodenju i uspostavi bolje komunikaciji s čujućom sredinom, naš jezik gubi svoj smisao.

Udruga „Kazalište, vizualne umjetnosti i kulture Gluhih - DLAN“ je uključena i u Međunarodno partnerstvo skraćenog naziva AbbA Europe (engl. Audience Blending by Arts), odnosno, "Spajanje publike putem umjetnosti". Partnerstvo je sufincirano od strane EACEA fonda Kreativna Europa – Kultura, Ministarstva kulture Republike Hrvatske i Grada Zagreba.

Civil organization “Theatre, visual arts and culture of Deaf – DLAN” was founded on 18th September 2001, and it's initiated by deaf people themselves, with a primary goal to promote Deaf culture, theatre and audiovisual arts by Deaf in Croatia and worldwide. It makes art events and culture contents more available to Deaf community, as well as accepting the Deaf community as a cultural minority.

Civil organization “Theatre, visual arts and culture of Deaf – DLAN” is working on developing creativity and self-respect of Deaf, and makes possible to Deaf community to attend congresses and festivals in Croatia and worldwide. It's also working on better communication and cooperation. Special attention is given to founding the theatre in sign language, which never existed in Croatia before, because the reactions of public, Deaf and hearing, was very positive and encouraging.

Civil organization “Theatre, visual arts and culture of Deaf – DLAN” has a long experience in organizing cultural and art projects by Deaf community. Since 2001 with a band Deaf Band DLAN (inclusive music band: drums and bass guitars), they combine drama in sign language with contemporary dance and poetry, and present two – four theatre plays in Croatian sign language. Members of DLAN have performed all over Croatia, and have guested some of the European Deaf festivals (Belgrade, Nitra, Ljubljana, Prag, Vac – Budapest, Tallin, Maribor, Trapani and Gent).

Civil organization “Theatre, visual arts and culture of Deaf – DLAN” also has experience as a partner and a coordinator in projects of EU: Working Youth and European Cultural Found. They have participated in a project Heartbeat Hears The Beat in Maribor cultural city 2012.

Civil organization “Theatre, visual arts and culture of Deaf – DLAN” organizes courses of sign language, because it is necessary to teach the hearing community our language. Without their help with translation and creating a better communication with hearing community, our language loses its sense.

Civil organization “Theatre, visual arts and culture of Deaf – DLAN” is also involved in International Partnership AbbA Europe (Audience Blending by Arts), that is “Merging of audience with art”. Partnership is partly financed by EACEA Found Creative Europe – Culture, by Ministry of Culture in Republic of Croatia, and by the Zagreb city.

Zagreb, glavni grad Republike Hrvatske, jedan je od najstarijih europskih gradova. Spominje se već od 1094.godine. Najstariji dijelovi, Gradec i Kaptol, iz kojih je Zagreb izrastao, ubrajaju se među najljepše sačuvane secesijske jezgre u Europi. Gornji i Donji grad povezuju Kamenita vrata sa svojim legendama i čudotvornom slikom Gospe.Tu je i neogotička zagrebačka katedrala u čijoj je riznici pohranjeno neprocjenjivo blago, predmeti od 11. do 19. stoljeća. Treba istaknuti i središnji gradski trg s impozantnim spomenikom bana Josipa Jelačića, te zagrebački Louvre – Muzej Mimara. Zagreb je grad znanosti i kulture. U njemu djeluju vrhunski znanstvenici i umjetnici čije djelovanje obogaćuje, ne samo hrvatsku, nego i svjetsku baštinu. Crtana serija "Profesor Baltazar" najpoznatiji je projekt Zagrebačke škole crtanog filma. Prvu hrvatsku operu, "Ljubav i zloba", skladao je slavni Zagrepčanin Vatroslav Lisinski. Grad ima pedesetak muzejsko-galerijskih prostora i privatnih zbirki, te 20-ak kazališnih i glazbenih scena. Najstarije kazalište je Hrvatsko narodno kazalište, HNK, čiju je neobaroknu zgradu otvorio car Franjo Josip I davne 1895.godine. Ispred zgrade kazališta je spomenik "Zdenac života" kipara Ivana Meštrovića. Zagreb je često organizator i domaćin mnogih međunarodnih kulturnih događanja. Jedan od poznatijih je Cest is d Best, koji se kao ulični festival, organizira svake godine početkom lipnja. To je festival koji spaja glazbu, ples, cirkus, kazalište, duhovita i sportska natjecanja, likovne i umjetničke radionice, performanse i druženje raznih umjetnika i ljubitelja umjetnosti.Zagreb je dom mnogih europskih i svjetskih sportskih šampiona. Možemo slobodno reći da je srce grada Zagreba veliko, prihvata sve ljudе, tješi ih obogaćuje i nadahnjuje u svakom pogledu.

Zagreb, the capital of Croatia, is one of the oldest cities in Europe. Some of the first references date from 1094. Oldest parts of town, Gradec i Kaptol, which the whole city grew out from, are considered some of the most beautiful and best preserved Art Nouveau city cores in Europe. Upper and Lower Town are bonded by the Stone Doors with its legends and miraculous Virgin Mary. And than there is the famous neogothic Zagreb Cathedral. The cathedrals treasury contains invaluable pieces dating all the way from 11th to 19th century. The main city square is something to be seen, with the impressive statue of Ban Josip Jelačić, and by all means the Zagreb's Louvre – Mimara Museum. Zagreb is a city of science and culture whose scientists and artists enrich, not just Croatian, but worlds heritage. Animated series " Professor Balthazar" is the most famous project of Zagreb's school of animated film. First Croatian opera, "Love and Malice" was composed by famous composer Vatroslav Lisinski. The city has close to 50 art and museum spaces and private collections, and about 20 theaters and music scenes. The oldest theatre is Croatian national theatre, commonly referred to as HNK Zagreb. It's neobaroque building was unveiled by the emperor Franz Joseph the first in 1895., during his visit to the city. At the entrance of the theatre is the wall fountain "The Source of life" , designed by Croatian artist and sculptor Ivan Meštrović in 1905. Zagreb, more often than not, is a host for many international cultural events. Cest is d Best is one of them. It's a street festival hosted every year, early June, that intertwines music, dance, circus, theatre, sports, comedy, art workshops, performances and community. This city is a home to many European and world's sport champions. It's safe to say it has a huge accepting heart and an inspiring, enriching spirit.
